1. Email from a student to their professor requesting an extension on an assignment submission deadline:

Subject: Request for Extension on Assignment Submission

Dear Sir/Ma'am,

I hope you are doing well. I am writing to request a short extension for the submission of the assignment 6 of your subject i.e. calculus due on 02-04-2026.

Due to overload of academic work of all other subjects as well and my health continuously declining from last 1 week, I have not been able to complete the assignment to the best of my ability within the given time. I want to ensure that I submit quality work that reflects proper understanding of the topic.

I kindly request you to grant me an extension of 3 days prior to the current due date, I will make sure to complete and submit the assignment within the extended deadline.

Thank you for your understanding and support.

Yours sincerely,

Shlok Singh
